PASTOR'S CORNER

FR. KEVIN SCHMITTGENS, PASTOR

Why we love the darkness...

There is an old Russian folk story about a mother and daughter who earned their living by sewing. They sat by a window and rested their eyes by lifting them from their work now and then to survey the beautiful scene outside their window. Then, one day, someone came and built a house right next to their window which rose like a massive wall and shut out the light and sun and air. So for many years they worked, in sorrow. Then one day the wall was finally demolished, and when it was gone. . . the two women *grieved* for it.

"The light came into the world, but they loved darkness rather than the light. . ."

Why is it that we love the darkness?

When I was a little boy the darkness was always threatening, always scary. One never knew what was out in the darkness, what was lying in wait for us. The darkness was dangerous. When I lived out in the country it was a common occurrence for the electric to go out and I often had to grope in the dark. It is much easier to fall and hurt oneself, tripping over this or that. It is getting up in the middle of the night with no illumination and tripping over obstacles which would have easily been avoided in the sunlit day. The darkness is limiting. "Called on account of darkness." Many things that I love to do, I am unable to do when it is dark. Oh, we have lighting and electricity, but the darkness tends to restrain us and cramp our style. It often keeps us from truly living.

So again, why is it that we love the darkness?

First of all, like my folk tale suggests, we get used to it. They say that victims of abuse often times feel lost when their abuser is not around. Twisted, but it happens. People with mental illness, often avoid getting better because they do not feel like themselves. Sickness seems more comfortable than wellness.

How do we break the cycle of darkness? How do we snap out of destructive and murky behavior? It's not easy. But first we need to be absolutely convinced that the light is better than the darkness. We need to know that the way of darkness is a dim and ultimately deadly path. If we are to be people of light, we need to recognize that this is the only way to go. An addict need to face up to the fact that their addiction will eventually kill them or someone that they love.

They need to return to sanity.

Second, we love the darkness because we do not like facing the truth. People like the darkness because they can hide their faults, failures, vulnerabilities and sin more easily in the murky dimness rather than the harsh glare of the truth. It is safer to remain in the dark.

Lent is a continual process of coming to terms with the truth of our lives. And yet, the only way we will ever know freedom, the only way we will ever grow, the only way we will find happiness is if we are committed to light and to truth. There is no other way. The Sacrament of Reconciliation is a tremendous way of facing up to the truth of our lives. It is threatening, to be sure, but it allows us a freedom that can open us up to the fullness of life. Without letting everyone in on our business, we can face up to the truth in the difficult reality, yet loving acceptance of our God.

This Wednesday evening we will have a joint Penance Service with Mary, Queen of Peace Parish beginning at 7 pm here at Holy Redeemer.

If it has been awhile, don't be afraid. Let the Lord break down the wall of sin and shame that hinders your view and keeps you in the dark.

And, for goodness sake, do not grieve its destruction.

Father Kevin

Missouri Catholic Conference Opposes Abortion Ballot Initiative

The Missouri bishops, through the Missouri Catholic Conference, have issued a statement opposing the abortion ballot initiative.

The statement reads, in part, "A misleading proposed amendment to the Missouri Constitution suggests that a 'right to an abortion' is needed to protect women, while the amendment could actually put women at risk and endanger preborn children. This ballot initiative would legalize abortions in this state and remove long standing health and safety standards for women. In addition, this initiative does nothing to reduce or eliminate the underlying social causes for abortion and does not further a true culture of life in the state.

"Groups are currently collecting citizen signatures to add the amendment to the November 2024 ballot. We encourage all Catholics and people of good will to NOT SIGN any petition that would put this amendment on the ballot."

This petition goes too far for Missouri!

Don't sign your rights and freedom away by signing an abortion initiative petition that would alter Missouri's Constitution!

Don't let lobbying groups and out-of-state special interests inject abortion politics where it doesn't belong and where it isn't wanted.

This extreme initiative petition could:

- Legalize abortion as a method of birth control and abortion after a baby can survive outside the womb.
- Allow unlicensed abortion clinics in your neighborhood – even near schools and churches.
- Give power to judges and the government to force Missouri taxpayers to fund abortions.
- Permit governmental intrusion in health care decisions made by parents with their children.

Don't be fooled! Signature collectors might tell you that it's for "women's health" or "reproductive rights" or "to restore Roe"—or that it's "pro-life" or "pro-choice"—or say *anything* to get you to sign. ***Don't believe them!***

DECLINE TO SIGN any petition that lets lobbying groups and the government take away your rights and freedom! Tell family, friends, neighbors, coworkers and everybody to **DECLINE TO SIGN**.
The future of Missouri is counting on you!

For more information on **Decline to Sign**, contact Missouri Stands with Women at mostandswithwomen.org

Our Common Home Ministry/ Green Machines

We would like to share a HEARTFELT note of gratitude to a few folks for the outstanding LOW WASTE FISH FRY! The air was electric with giggles, good music, fun and the aroma of God's Cod.

- **THANK YOU** to the CWL for allowing us to partner with you to make this event almost ZERO WASTE. At the end of the night there were 3 full recycling totes and 8 full compost totes and **ONE BAG OF LANDFILL**. This is a remarkable accomplishment!
- **THANK YOU** to the Green Machines for stepping up to help with traffic control at each waste station. Finn R., Lennon S., Molly O., Lucy W., Georgia M., Gannon M., Molly W., Maria K., and Ruby H: Thank you for teaching us to Compost Correctly and Recycle Right.
- **THANK YOU** to Kate Rycenga who organized the Fish Fry effort! And to Stephanie Heavey, President of CWL for the support! The CWL absorbs the expense of compostable serveware so that we can answer the call to care for the Earth.
- **THANK YOU** to ALL OF YOU! For doing your best to take care of our common home, our Earth!
