Dear Brothers and Sisters in Christ,

The annual Archbishop's Collection for Retired Priests will be taken up in parishes throughout the Archdiocese of St. Louis on Easter Sunday, March 31, 2024.

This is a beautiful opportunity to honor and thank the priests who have dedicated their lives to serving others.

We can count on our parish priests to instruct us in the faith, counsel us in difficult times, help us celebrate joyful moments, and comfort us in our grief. Indeed, many retired priests continue serving in parishes, schools, nursing homes, hospitals, and other Catholic ministries.

Your gift helps meet their temporal needs, including physician services, hospitalization, nursing home care, vision care, and disability. I thank you for your generosity in caring for our retired priests who dedicate their lives to serving the Lord and His people!

Be assured that our retired priests are praying for you and your families. I hope you will pray for them as well.

Sincerely yours in Christ,

Mitchell T. Rozanski

Most Reverend Mitchell T. Rozanski
Archbishop of St. Louis

PASTOR'S CORNER

FR. KEVIN SCHMITTGENS, PASTOR

Happy St. Patrick's Day!

Have you ever been unlucky?

I would like for you to think about the most unfortunate, the most difficult, the most grueling event of your life. For some of you it might be a big thing, like the loss of a parent or a relative or a friend. For some of you it might be what seems a little thing, but what was, at the time, a huge deal for you, like perhaps, being cut from a sports team or having a friend betray a confidence. Whatever the event, try for just a moment, to get into that experience. Feel it again. Let all those old feelings, let all those old emotions, let all that bitterness, hatred, anger, shame, whatever, bubble up inside your heart for a moment.

Now realize an important truth of our faith as Catholics, as Christians. The key to life is not denying that these things have happened. The key to life is not to numb ourselves from the agony or the hurt with alcohol, or drugs or frantic activity. The key to life is not simply to move on and forget that those things have ever happened. The key to life is to face that unpleasantness, face that the misfortune, face that trial, *and transform it*. More accurately, *allow God to transform it*. And when that happens we are better, we are more compassionate, we are more empathetic and, best of all, we are readier to face whatever life has in store for us.

This is the history of the people of Ireland. This is the history of St. Patrick,

Patrick was born in Britain, under the rule of Rome in the fifth century (the 400's for you math people.) Like so many young people throughout all of history, he was rather rebellious and he rejected the Christian faith of his family. In his early teens, Patrick had his unfortunate, unlucky experience, **he was kidnapped**. He was kidnapped by Irish pirates and was force into slavery under a Celtic warlord. After six years, Patrick finally escaped. He returned to Britain, but his cruel captivity, the nightmare of slavery, the horror of losing his freedom, transformed Patrick, and indeed, as we will see, transformed the world. He decided to become a priest and, amazingly, decided to go *back* to the people who had chained him in order to bring them the good news of Jesus Christ.

Boy did he! Patrick's influence is now far and wide. Some writers suggest that because of the monasteries

that Patrick founded, Western civilization remained alive. If that wasn't enough, Patrick is the first person in all of recorded history to unequivocally condemn and renounce the practice of slavery. It would be fourteen hundred years later before the United States of America and the Vatican would catch up with him!!

Patrick took the unlucky, unfortunate, ill-fated occurrence of his slavery and transformed it with the grace of God into a gift of life and hope, a gift for the people of Ireland, a gift for the Church, a gift for the world, and today a gift for all of us. It a gift that was given to my ancestors, making me a direct recipient of the gift of Patrick.

As far as I am concerned there are two types of people in this world. The lucky and the unlucky. What is interesting about these two groups is that the same things happen to both of them. Diseases, cruelty, accidents, happen across the board. It is the lucky ones who allow God to transform these things into goodness and life. It is the unlucky ones who wallow in their bitterness, their anger, their resentments, their bile. In other words, it isn't about luck at all, it is about grace, it is about blessing, it is about allowing God into your heart and into your life.

The green of St. Patrick's Day reminds us that in the midst of the cold, in the midst of the chill, in the iciness of our lives, springtime is nearly ready to burst forth, new life is about to commence. The unfortunate events of our lives only serve to make us less hateful, less bitter, more compassionate, more loving, more considerate.

Dare I say it, more Irish?

And luck, had nothing to do with it.

Father Kevin

Bible Study with Fr. Kevin!

Join me after the 8:15 Mass on Tuesdays during Lent for a seven week Bible study in the rectory dining room. I am going to make it very simple.

First, you can critique my homily from the prior week (what did you like, what didn't you like, what didn't you understand) and then we will look at the readings for the next week and discuss what they mean to prepare my homily for the following Sunday.

There is no cost and each session will end by 10 am. **The remaining dates are March 19, 26, and April 2.**

No need for reservations, just show up and we will take it from there.

Missouri Catholic Conference Opposes Abortion Ballot Initiative

The Missouri bishops, through the Missouri Catholic Conference, have issued a statement opposing the abortion ballot initiative.

The statement reads, in part, "A misleading proposed amendment to the Missouri Constitution suggests that a 'right to an abortion' is needed to protect women, while the amendment could actually put women at risk and endanger preborn children. This ballot initiative would legalize abortions in this state and remove long standing health and safety standards for women. In addition, this initiative does nothing to reduce or eliminate the underlying social causes for abortion and does not further a true culture of life in the state.

"Groups are currently collecting citizen signatures to add the amendment to the November 2024 ballot. We encourage all Catholics and people of good will to **NOT SIGN any petition that would put this amendment on the ballot."**

This petition goes too far for Missouri!

Don't sign your rights and freedom away by signing an abortion initiative petition that would alter Missouri's Constitution!

Don't let lobbying groups and out-of-state special interests inject abortion politics where it doesn't belong and where it isn't wanted.

This extreme initiative petition could:

- Legalize abortion as a method of birth control and abortion after a baby can survive outside the womb.
- Allow unlicensed abortion clinics in your neighborhood – even near schools and churches.
- Give power to judges and **the government to force Missouri taxpayers to fund abortions.**
- Permit governmental intrusion in health care decisions made by parents with their children.

Don't be fooled! Signature collectors might tell you that it's for "women's health" or "reproductive rights" or "to restore Roe"—or that it's "pro-life" or "pro-choice"—or say ***anything*** to get you to sign. ***Don't believe them!***

DECLINE TO SIGN any petition that lets lobbying groups and the government take away your rights and freedom! Tell family, friends, neighbors, coworkers and everybody to ***DECLINE TO SIGN.***
The future of Missouri is counting on you!

For more information on *Decline to Sign*, contact Missouri Stands with Women at mostandswithwomen.org
