"But I say to you, love your enemies and pray for those who persecute you..." MATTHEW 5:44

Love your enemies, easier said than done. But, remember, the foundation of stewardship is prayer. When we are in close communication with God, it opens our heart and it turns our attention away from "me" and moves it towards God and others. It changes my heart and actions, allowing for a little more empathy for "my enemy." When we pray for others, even our enemies, it may soften their hearts as well.

PASTOR'S CORNER

*PARCE DOMINE, PARCE POPULO TUO,
ne in aeternum irascaris nobis.*

This Wednesday we begin the Season of Lent. We will have four Masses on Ash Wednesday, our usual Masses at 6:15 and 8:15 (live-streamed), 12 pm and 7 pm.

Lent is an awesome time of growth, renewal and hope. It is also crucial to our faith.

Traditionally, the focus has been on three things: **self-denial, prayer and almsgiving.**

Self-denial. I am not one of those priests that says: "Instead of giving something up this Lent, you should do such and such!" Nope. Not gonna happen. Give something up. Self denial is such an important part of one's spiritual life. First of all, it builds discipline. You set a goal for yourself and you struggle to maintain that goal. Second, it teaches us that there are many things in our lives that seem essential and indispensable, but aren't. This is a freeing thing. Lastly, giving up something is good for your soul. I will agree that this should not be the extent of our Lenten journey. That is why the next aspect of Lent is:

Almsgiving. Ever hear the saying: it is better to give than to receive? Giving something up should free you to give and to give freely. There are so many different possibilities here. Our Vincent de Paul Society. Our PIP (Parents in Partnership) drive. And new this Lent, another chance to help our twin parish in Haiti, our Making Haiti Green Again Program. A \$75 donation sponsors a farmer for a year, a \$200 donation enables the planting of 200 trees. Once again the goal is food sustenance. Check the bulletin for more details. There is also Operation Rice Bowl and any number of charities you can support on your own.

But Lent does not stop there. The final aspect is:

Prayer. At the center of the All Things New initiative has been prayer. Over the past three and a half years, my time here at Holy,

I have found great strength in my prayer, especially as I walk the streets of Webster or Grant's Trail. My prayer has centered me, kept me from flying off the rails, helped me view the strategic initiative with a deeper, longer perception. What about starting your day with daily Mass at 6:15 or 8:15? What about inviting a friend who has been away from church to a Sunday liturgy? What about taking an hour on Tuesdays in front of the Blessed Sacrament? What about being more faithful to meal prayers with your family? What about praying the rosary on the way to work? What about joining one of our small Christian communities? There are so many possibilities!

The key to fruitful observance of these practices is to recognize their link to baptismal renewal. We are called not just to abstain from sin during Lent but to true conversion of our hearts and minds as followers of Christ. We recall those waters in which we were baptized into Christ's death, died to sin and evil, and began new life in Christ. Oh and in case you were wondering: **Ash Wednesday and Good Friday are obligatory days of universal fast and abstinence. Fasting is obligatory for all who have completed their 18th year and have not yet reached their 60th year. (I'm exempt, but you are as young as you feel and as young as you fast.)** Fasting allows a person to eat one full meal. Two smaller meals may be taken, not to equal one full meal. Abstinence (from meat) is obligatory for all who have reached their 14th year.

So what are you going to give up, what are you going to give and what are you going to pray this Lent??

It all begins with ashes on Wednesday.

Father Kevin

St. Vincent de Paul News!

Thanks to the enormous generosity of our parishioners, our St. Vincent de Paul conference was able to provide the means for the neighbors we've served this year to have Thanksgiving and Christmas meals and other benefits for their families this holiday season.

We also helped a family who tragically lost their home and two family members in a fire, and they have moved into a new home with the financial support your generosity enabled.

Knowing our neighbors have faced higher costs for food, lodging and transportation, our parishioners opened their hearts and rose to the occasion and far beyond, and we want to express our deep appreciation. If you know of anyone who needs assistance, please have them call our hotline at 314-289-6101, mailbox 2250.

Lenten Offering: Making Haiti Green Again

This year, the Annunciation and Holy Redeemer parishes in Webster Groves MO will participate in a Lenten Offering to support our twinned parish in St. Jean du Sud Haiti, specifically a 5-year project called **Making Haiti Green Again**. As with the 2021 **Goat & Chicken Project**, this project is focused on improving food security by increasing food production by small-holder farmers while promoting sustainable farming practices.

Decades of deforestation have degraded topsoil & agricultural productivity in Haiti, including St. Jean du Sud. Any efforts to improve food security in Haiti will first need to address this environmental challenge. This year's Lenten Offering for the Haiti Mission will support the innovative efforts of a Haitian partner, the **Smallholder Farmers Alliance (SFA)**, to promote reforestation, soil renewal, and better farming practices via its **Tree Currency program**. This program will establish a tree nursery in St Jean du Sud and provide participants with agronomic training, quality crop seeds, and tools in exchange for planting and caring for the trees. A farmer's "sweat equity" becomes a form of currency. The program, a cooperative venture between the SFA and the **Timberland Company**, has increased farmers' yields by ~40% and income by 50-100% in other Haitian communities. To date over 5 million trees have been planted in Haiti through this collaboration.

Examples of trees to be planted include mangoes, papaya, coconut, cashew, breadfruit and Spanish cedar. The trees will be

planted on degraded land and slopes, around water catchment infrastructures, in forest gardens on a farmer's land, and in pastures where fruit trees and livestock can coexist as a silvo-pastoral system. Over time, the produce from these trees will supplement the food and income of the 400 participating families. A community seed bank will be created to provide these farmers with quality seeds for black beans and pigeon peas, two staple crops that are well adapted to Haiti's climate.

This initiative is made possible by the **Raising Haiti Foundation** which will provide ~47% of the funding for the 5-year program, roughly \$74,000; the HR Haiti mission will provide the remaining ~\$84,000, in part through this 2023 Lenten Offering. The goal after 5 years is to have self-supporting farmer cooperatives that continue the agro-forestry program, ensure access to high-quality seed thru the community seed bank, and promotes sustainable farming practices.

Please consider giving a donation to this year's Lenten Offering. A \$75 donation sponsors a farmer for one year and enables the planting of ~40 trees. A donation of \$200 sponsors a farmer for 2 1/2 years and enables the planting of ~100 trees. Of course, any donation amount is welcome!

For more information about **Making Haiti Green Again**, contact Jim Baum at jabaum54@gmail.com or call 314-853-7747.
